PROFESSIONAL SUMMARY

I am a recent BSc graduate in Applied Mathematics and Computer Science with strong analytical and technical abilities, complemented by a proactive and detail-oriented approach. Passionate about solving real-world problems and building intuitive, reliable, customer-focused, and innovative digital solutions. Possesses strong interest in information technology. Combines debugging, troubleshooting, and technical skill with teamwork and clear communication, developed through hands-on projects and team-based hackathons. I am eager to apply my combination of theoretical knowledge and practical skill in a professional, results-driven, and competitive team where I can further develop my skills while learning new technologies, skills, tools, and platforms. Ready to provide valuable support while contributing to company goals, mission, and vision.

PERSONAL DETAILS

Gender: Male

Nationality: South African

Languages: English, Northern Sotho, Zulu

EDUCATION

- **University of Johannesburg** 2022 - 2025
BSc in Mathematical Science in Applied Mathematics and Computer Science
NQF 7
- **Poo Secondary School** 2018
Grade 12
National Senior Certificate (NSC)

COURSEWORK

- Numerical Analysis
- Differential Calculus
- Linear Algebra
- Mathematical Optimization
- Statistics
- Algorithms
- Data Structures
- Object Oriented Programming
- Software Engineering
- Networking

TECHNICAL SKILLS

- **Programming Languages:** Python, Java, JavaScript, Express.js, Node.js, SQL, C++
- **Frontend Technologies:** HTML5, CSS3, React JS, TailwindCSS
- **Frameworks:** Pandas, Matplotlib, Scikit-learn, Numpy
- **Tools and Platforms:** Git, GitHub, MS SQL Server, PostgreSQL Visual Studio Code, Eclipse, Jupyter Notebooks, Tableau, Microsoft Power BI
- **Production and Communication:** Microsoft Excel, Microsoft PowerPoint, Microsoft Word, Notion, Draw.io

SOFT SKILLS

- Good Verbal and Written Communication
- Positive attitude
- Strong Analytical Thinking
- Proactive Problem-solving
- Teamwork and Collaboration
- Detail-Oriented
- Self-motivated
- Quick Learner
- Strong Work Ethic and Accountability

CERTIFICATES AND ACHIEVEMENTS

- **freeCodeCamp** – Responsive Web Design | 2025
- **FNB App Academy** – Full Stack Development | 2025
- **freeCodeCamp** – JavaScript Algorithms and Data Structures | 2025
- **Kion Consulting External Hackathon** – Third place | 2026
